Training and assessment arrangements	<p>Duration</p> <p>The training program for Certificate III in Hospitality is delivered in 1200 contact hours over a 52 week time period. This program is delivered with ongoing rolling intakes (please review the intake schedule provided on the CTI website). This program is designed to align with and meet AQF Volume of Learning indicators.</p> <p>CTI students will attend class equivalent to 25 hours per week in full-time mode.</p> <p>Please contact info@cti.qld.edu.au for a copy of timetable.</p>

Organisation

Fifteen units of competency are the minimum required for this qualification, units of competency were selected following the “Qualification Rules” consisting in select units of competency from the list provided in the SIT16 Training Package (see SIT16 Training Package available at training.gov.au); units of competency have been taken from: Working effectively with others Units, Social and cultural sensitivity Units, Safe work practice Units, Hygiene, Sustainability and Business documentation Units.

The program is organised in “clusters” in order to provide a strategic structure to improve effectiveness of delivery and assessment procedures and activities.

The program covers basic to intermediate level Hospitality topics, which form the foundation & principle modules for individuals who intend to progress onto higher-level qualifications or enter the workforce.

Learners are provided with strong specific information and training on wide range of areas around the Hospitality Services Industry, such as: Working with others, safe and hygienic work practice and hospitality business documentation and design skills, spread sheets and sustainability skills.

Intakes dates are as per the published CTI ongoing (rolling intake) schedule. For Hospitality subjects CTI delivers subjects in a loop system ensuring candidates always will have the possibility to complete the qualification within the 52 weeks period, no matter at which point they enter.

RPL

Students who hold a relevant certificate, will need to submit verified Certificate/Statement of Attainment (issued by an RTO) for recognition purposes. Students with either a Certificate or Statement of Attainment for Certificate II and/or individual units will be exempted from common or elective units.

Inclusive Learning and LLN

Language Literacy and Numeracy (LLN)

- Canterbury Technical Institute is committed to provide education opportunities to its students from non-English-speaking background (NESB).
- Canterbury Technical Institute will use enrolment procedures aimed at ensuring that only students with the requisite LLN skills enrol in its courses as stated in its Assessing student’s qualifications and English language proficiency Policy and Procedure.
- Canterbury Technical Institute recognises the need to pay particular attention to issues related to language in its training and assessment, in order to cater to the needs of the largest section of its target market, i.e. NESB students.
- Canterbury Technical Institute will take all reasonable measures to ensure that its staff are aware of the students’ specific learning needs and make reasonable adjustments to training and assessment practices to cater for such needs and work within CTI inclusive learning policy.
- Canterbury Technical Institute reserves the right to refer students whose English language proficiency is demonstrably inadequate for their course to enrol in a package course comprising an ELICOS course of sufficient duration in an approved English Language Teaching (ELT) Centre.
- If after the commencement of a program it is identified that a student has a Language, Literacy and Numeracy (LLN) issue; our staff can discuss different ways of conducting training and assessment to assist students to access additional tutorial (generally on Fridays) with the Head Trainer.

Students requiring any assistance or support with language, literacy or numeracy should speak confidentially with their trainers and assessor who will call on the Head Trainer and/or other assessors for assistance and guidance as required.

Delivery modes

This program is delivered at the CTI premises in a classroom environment in which participants attend regularly to class and an on-the-job and a component completed in a professional hospitality related working environment.

Trainers and Assessors deliver the learning sequence using methods such as: Lectures, Guest Lectures, Discussions, Case studies, Demonstrations, Assignments and research activities or via the Learning Management (LMS) system.

Students are provided with training resources for each Cluster, a student resources drive is available which includes materials used in the training sessions, assessment materials (other than tests) and reference materials.

Learners will have at their disposal a computer lab with the necessary resources, such as library, broadband internet connection, and computer equipment to create presentations or research topics using the Internet.

Student will have access to a professional Hospitality working environment in which to participate in various hospitality service related activities.

Emphasis will be made to reflect real work situations in order to develop skills identified in the “employability skills” for this qualification. Those skills may include:

- Conducting research to collect and analyse information in a range of reports
- Consulting with others to develop a range of plans and reports
- Communicating with others and promoting participative workplace practice
- Developing solutions to new and emerging issues
- Contributing to the development of other team members
- Working under supervision and completing assigned tasks
- Applying risk management processes to hospitality operations
- Encouraging creative and innovative workplace solutions
- Developing personal hospitality skill and participating in team work activities
- Recognising, fostering and facilitating change
- Developing systems that are flexible and responsive to changing circumstances
- Developing practical hospitality skills to ensure high standards of customer service
- Dealing with contingencies
- Managing own time and priorities taking responsibility as required by work role and ensuring all organisational policies and procedures are adhered to
- Assisting others to acquire new knowledge and skills to improve team and individual performance
- Using electronic communication devices and processes such as internet, intranet, email to produce written correspondence and reports
- Using technology to assist the management of information and to assist the planning process

Evidence-gathering techniques / Assessment tools

A. Written Tools

- a) Report Writing
- b) Case Study / Case Scenarios
- c) Written Exam / Written Questionnaire
- d) Individual / Group Project
- e) Research Documentation

B. Observation Tools

- a) Role Play and or hospitality workplace activity participation
- b) Presentation
- c) Discussion
- d) Research Observation
- e) Oral Questioning

C. On-line Tools Learning Management System (LMS) (Domestic students)

- a) Written Reports, Multiple choice questions

Combinations of these methods will be used for most situations (eg. observations and oral questioning)
