

Become a leader of the future

Advanced Diploma of Leadership & Management

Course Duration: 78 weeks

Class Schedule:
25 hours - 2.5 days per week*

Entry Requirements

No entry requirements for Australian students.

Preferred Pathway

- BSB51915 Diploma of Leadership and Management or other relevant qualification
OR
- with vocational experience but without formal supervision or management qualification

Course Outline: BSB61015

This qualification reflects the role of individuals who apply specialised knowledge and skills with experience in leadership and management, across a range of organisation and industry contexts. This involves initiative, judgement and planning and implementing leadership and management functions, and accountability for personal and team performance in a broad range of industry contexts. Cognitive and communication skills are also used to identify, analyse and collate information to be transferred to others. Creative and conceptual skills are used to respond to complex problems and express ideas.
