Course Outline BSB61215 (CRICOS 093919E)

Programs are sets of interrelated projects, each with a project manager. 'Multiple projects', or programs are related projects managed by the same person as a program. In the role you will use initiative, direct, and plan to lead program functions and be accountable for personal and team outcomes. You will use communication skills to identify, analyse and synthesise information and transfer that knowledge to others, and creative and conceptual skills to express ideas and perspectives to respond to complex problems.
