Diploma of Project Management BSB51415

(CRICOS: 093917G)

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

The qualification requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate own work or the work of a team.

Course outcomes relate to those wishing to pursue a career in management positions across a range of fields.

The BSB51415 Diploma of Project Management is a Nationally Recognised course.
