# Welcome to Canterbury Technical Institute

Canterbury Technical Institute is a part of Canterbury Education Group which offers many years of experience delivering vocational courses in the international arena. We are located in the centre of Brisbane's CBD within comfortable walking distance of the city's main transport, education, sports, government and tourist facilities.

Our excellent team of trainers boast a wealth of relevant knowledge and experience on each of the subjects we deliver. Our programs have been specifically designed to cater to the needs of both domestic and international students and are nationally recognised under the AQF. Our fully qualified academic staff and caring administrative team offer our students a nurturing environment and atmosphere conducive to their studies. State of the art classrooms and laboratory facilities ensure we support our progressive learning environment.

Canterbury Technical Institute is a Registered Training Organisation' (RTO) that operates wholly within the VET Quality Framework.

# OVER BANE

## DIVERSE & MULTICULTURAL

Wherever you go in Brisbane, you're sure to be surrounded by strong, colourful and diverse communities. Take a glance at Brisbane's jam-packed calendar to see what we mean. Big multicultural celebrations include the BrisAsia Festival, the Spanish Film Festival, the Alliance Francaise French Film Festival, the India Day Fair, and so many more!

## AFFORDABLE

Unlike the other cities of Sydney and Melbourne, Brisbane is home to affordable housing properties and overall cheap cost of living with all the benefits of the city. You can lead a good quality of life on a simple salary in Brisbane which is not possible in the other top cities of Australia.

## EXCITING ART SCENE

Brisbane is home to Queensland Art Gallery and Gallery of Modern Art (Australia's largest Gallery of Modern Art), the Queensland Museum and SparkLab, Brisbane Powerhouse, and the Maritime Museum.

## SOUTH BANK

For a visit to galleries, museum, theatre or a dip in the man-made Streets Beach, head to Brisbane's cultural precinct. With stunning views across the river and onto Brisbane's CBD, Southbank offers a selection of activities and some of the city's best restaurant and bars.

## HUNGRY?

Brisbane is becoming a food & Beer lover's paradise with a vast variety of restaurants and pub options to consider. There is something to satisfy any hungry and thirsty stomach.

---

## COMMUTER FRIENDLY

Commuting to and from classes has never been so easy. Students can apply for a 50% concession fare on TransLink public transport services. Also, Brisbane students receive a 25% discount on bike hire with CityCycle. There's also a free CityHopper ferry to jump between the city, South Bank and Kangaroo Point.

---

## SUSTAINABLE

With more than 2,000 green parks and over 2,500 species of plant-life, Brisbane is becoming famous across Australia for its immense biodiversity. It's paradise for anyone wanting to study close to nature.

---

## SAND CONNECTED

If you study in Brisbane, you will have the advantages of living in a city plus the advantages of living in a city close to Australia's most beautiful beaches. Just grab a train or go for a short drive on your weekends. The great surfing waves and hype beaches of the Gold Coast, Byron Bay and Noosa are awaiting!

---

## A RIVER CITY

Brisbane River also meanders its way throughout the city, providing plenty of opportunities for scenic water views and leisurely riverside walks and cycle rides. You can also hop on the CityCat and travel by water.

---

## DISCOVER NEW MUSIC

The live music scene in Brisbane is well-known across Australia for supporting musical talent. Fortitude Valley is where you'll find a vast array of exciting underground bars and live music performances, showcasing groundbreaking artists. BIGSOUND Music Festival and Industry Conference – the largest annual music event of its kind in Australia is held in "The Valley". It hosts a massive line-up of singers, artists and industry professionals.
