About CTI

Canterbury Technical Institute (CTI) is a trusted and experienced vocational education provider located in the heart of Brisbane and Gold Coast. With over 17 years of success in international education, CTI is known for its strong student support, efficient processes, and outstanding value for money. Our diverse student community, representing more than 40 nationalities, creates a vibrant, multicultural learning environment. We pride ourselves on offering high-quality, hands-on training supported by modern facilities and a friendly, service-focused team. Whether students are pursuing career outcomes or future visa pathways, CTI delivers flexible, affordable education with a strong focus on employability. CTI has a helpful support team and strong industry links to guide students through their studies and support them on the path to success.

CRICOS 02938M | RTO No. 31645

Acknowledgement of Country

Canterbury Technical Institute (CTI) acknowledges the Traditional Custodians of the lands on which our campuses stand — the Turrbal people of Meanjin (Brisbane) and the Yugambeh people of the Gold Coast.

We pay our respects to their Elders past, present and emerging, and honour the enduring connection of First Nations peoples to land, water, culture, and community.

We value Indigenous knowledge systems as an integral part of our collective learning journey.

Brisbane

Study in the Olympic Capital of the Future

Brisbane is a fast-growing city with a vibrant lifestyle and excellent student opportunities.

It will host the **2032 Olympic and Paralympic Games**, creating new infrastructure and thousands of jobs.

You'll enjoy green spaces, city life, and easy access to beaches, mountains, and cultural events.

- Warm, Welcoming and Full of Sunshine
- Work opportunities in IT, Construction, and Hospitality
- World-class Education

Gold Coast

Study by the beach

Known for its famous beaches and relaxed energy, the Gold Coast is perfect for students looking for a coastal lifestyle.

You can balance study with surf, nature, and part-time jobs in **hospitality, tourism, and events**.

- Iconic surf beaches and scenic hinterlands
- Affordable student living
- Jobs in tourism, hotels and restaurants

Course guide

Aged Care & Community Services

Certificate III in Individual Support

The CHC33021 Certificate III in Individual Support prepares professionals to provide person-centred care to the elderly, people with disabilities, or others needing support in home or community settings. The course develops both practical and theoretical knowledge focused on personalised care. It requires 120 hours of work placement. There are no licensing or regulatory requirements for this qualification.

Course Duration

35 weeks (2 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Career Outcomes

- Support worker, Family Supporter worker
- Disability Service Officer, Residential Support worker
- In home Respite worker
- Personal care worker in the community
and/or residential setting
- Supervisor or Team Leaders in the community
and/or residential setting

Entry Requirements

- English level evidence (Upper Intermediate level / IELTS 5.5 / PTE equivalent)
- 18 years and above with a High School Certificate (Year 12)
- Physically capability for manual handling activities
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Elective Units

- CHCAGE011 – Provide support to people living with Dementia **
- CHCPAL003 – Deliver care services using a palliative approach
- CHCDIS011 – Contribute to ongoing skills development using a strengths-based approach **
- CHCDIS012 – Support community participation and social inclusion
- CHCCCS036 – Support relationships with carer and family
- CHCCCS001-Address the needs of people with chronic disease

Core Units

- CHCCCS031 Provide Individualised Support **
- CHCCCS038 Facilitate the empowerment of people receiving support **
- CHCCCS040 Support independence and wellbeing *
- CHCCCS041 Recognise healthy body systems
- CHCCOM005 Communicate and work in health and community services
- CHCDIV001 Work with diverse people
- CHCLEG001 Work legally and ethically
- HLTWHS002 Follow safe work practices for direct client care
- HLTINF006 Apply basic principles and practices of infection prevention and control **

Certificate IV in Ageing Support

The CHC43015 Certificate IV in Ageing Support prepares workers to perform specialised tasks in aged care, whether in residential, home, or community settings. It focuses on delivering high-quality, person-centred services, including developing and reviewing care plans. Students may also take on leadership roles within set guidelines. The qualification requires 120 hours of work placement. No licensing or regulatory requirements apply.

Course Duration

52 weeks (6 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Upper Intermediate level / IELTS 5.5 / PTE equivalent)
- 18 years and above with a High School Certificate (Year 12)
- Physically capability for manual handling activities
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Elective Units

- CHCDIS007 Facilitate the empowerment of people with disability **
- CHCDIS008 Facilitate community participation and social inclusion
- CHCHCS001 Provide home and community support services **

Career Outcomes

- Community Program Coordinator
- Personal Care Giver, Residential Care worker
- Support Worker (Community Services)
- Care Team Leader
- Personal Care Assistant, Residential Care Officer
- Day Activity Worker

Core Units

- CHCADV001 Facilitate the interests and rights of clients
- CHCAGE001 Facilitate the empowerment of older people **
- CHCAGE003 Coordinate services for older people **
- CHCAGE004 Implement interventions with older people at risk **
- CHCAGE005 Provide support to people living with dementia **
- CHCCCS006 Facilitate individual service planning and delivery
- CHCCCS011 Meet personal support needs **
- CHCCCS023 Support independence and wellbeing *
- CHCCCS025 Support relationships with carers and families
- CHCDIV001 Work with diverse people
- CHCLEG003 Manage legal and ethical compliance
- CHCPAL001 Deliver care services using a palliative approach
- CHCPRP001 Develop and maintain networks and collaborative partnerships
- HLTAAP001 Recognise healthy body systems
- HLTWHS002 Follow safe work practices for direct client care

Diploma of Community Services

The CHC52021 Diploma of Community Services prepares professionals to manage, coordinate, and deliver person-centred services in community services, case management, and social housing. Workers operate independently with specialised skills, often supervising teams or managing programs. The qualification requires 200 hours of work placement. For child protection roles in Victoria, a specific specialisation and ACWA-approved diploma are mandatory. No licensing or regulatory requirements apply.

Course Duration

104 weeks (12 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- Physically capability for manual handling activities
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Elective Units

- CHCDIV003 Manage and promote diversity
- CHCCOM003 Develop workplace communication strategies
- CHCDIS019 Provide person-centred services to people with disability with complex needs **
- CHCCCS038 Facilitate the empowerment of people receiving support **
- CHCADV002 Provide advocacy and representation services
- CHCCSM014 Provide case management supervision
- CHCMHS001 Work with people with mental health issues
- CHCDIS017 Facilitate community participation and social inclusion **

Career Outcomes

- Community care-aged care, disability services
- Mental Health and counselling
- Family Services, Youth Work
- AOD and drug education
- Advocacy
- Schools, housing and community development
- Crisis intervention
- Aboriginal and Torres Strait Islander services

Core Units

- CHCCCS004 Assess co-existing needs
- CHCCCS007 Develop and implement service programs
- CHCCCS019 Recognise and respond to crisis situations **
- CHCCSM013 Facilitate and review case management *
- CHCDEV005 Analyse impacts of sociological factors on people in community work and services *
- CHCDFV001 Recognise and respond appropriately to domestic and family violence
- CHCDIV001 Work with diverse people
- CHCDIV002 Promote Aboriginal and/or Torres Strait Islander cultural safety
- CHCLEG003 Manage legal and ethical compliance
- CHCMGT005 Facilitate workplace debriefing and support processes
- CHCPRP003 Reflect on and improve own professional practice
- HLTWHS003 Maintain work health and safety **

Course guide

Information Technology

Diploma of Information Technology

(General)

The ICT50220 Diploma of Information Technology (General) provides students with the skills and knowledge to be competent in a variety of information and communications technology (ICT) roles who have established specialised skills in a technical ICT function. A person with this qualification can carry out moderately complex tasks in specialist fields, working independently, as part of a team or leading deliverables with others. They may apply their skills across a wide range of industries, business functions and departments, or as a business owner (sole trader/contractor).

Course Duration

52 weeks (12 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1: Work in IT Teams

- BSBCRT512 Originate and develop concepts
- BSBXCS402 Promote workplace cyber security awareness and best practices
- BSBXTW401 Lead and facilitate a team

Unit Cluster 2: IT Projects

- ICTICT517 Match ICT needs with the strategic direction of the organisation
- ICTICT532 Apply IP, ethics and privacy policies in ICT environments
- ICTSAS527 Manage client problems

Unit Cluster 3: Programming

- ICTPRG535 Build advanced user interfaces
- ICTPRG547 Apply advanced programming skills in another language
- ICTPRG549 Apply intermediate object-oriented language skills

Career Outcomes

- Systems administrator
- Systems analysis
- Game programmer and software developer
- Database and data management
- Cloud engineering

Unit Cluster 4: Software Development

- ICTWEB514 Create dynamic web pages
- ICTSAD501 Model data objects
- ICTSAD502 Model data processes
- ICTWEB513 Build dynamic websites

Unit Cluster 5: Networking

- BSBPMG513 Manage project quality
- ICTNWK529 Install and manage complex ICT networks
- ICTSAS517 Use network tools
- ICTNWK518 Design an enterprise wireless local area network
- ICTNWK531 Configure an internet gateway

Unit Cluster 6: Operating Systems

- ICTNWK615 Design and configure desktop virtualisation
- ICTSAS518 Install and upgrade operating systems

Diploma of Information Technology

(Advanced Programming)

The ICT50220 Diploma of Information Technology (Advanced Programming) provides students with the skills and knowledge to be competent in programming and software development. A person with this qualification can create new software products to meet a project brief or customise software products to meet customer needs. This course includes communication skills, project management, software testing, network and system administration, object orientated programming in languages such as Java, php and android object-oriented systems analysis and web design.

Course Duration

52 weeks (12 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1: Work in IT Teams

- BSBCRT512 Originate and develop concepts
- BSBXCS402 Promote workplace cyber security awareness and best practices
- BSBXTW401 Lead and facilitate a team

Unit Cluster 2: IT Projects

- ICTICT517 Match ICT needs with the strategic direction of the organisation
- ICTICT532 Apply IP, ethics and privacy policies in ICT environments
- ICTSAS527 Manage client problems

Unit Cluster 3: Advanced Programming Specialisation

- ICTPRG535 Build advanced user interfaces
- ICTPRG547 Apply advanced programming skills in another language
- ICTPRG549 Apply intermediate object-oriented language skills
- ICTPRG554 Manage data persistence using noSQL data stores
- ICTPRG556 Implement and use a model view controller framework

Career Outcomes

- Game programmer and software developer
- Database and data management
- Cloud engineering
- Cloud architecture
- Front end web development
- System analysis

Unit Cluster 4: Back End Web Development

- ICTDBS507 Integrate databases with website

Unit Cluster 5: Front End Web Development

- ICTWEB514 Create dynamic web pages

Unit Cluster 6: Systems and Software Design

- ICTPRG546 Validate application designs against specifications
- ICTPRG551 Apply testing techniques for software development

Unit Cluster 7: Programming

- ICTPRG530 Manage projects using software management tools
- ICTPMG537 Implement security for applications
- ICTPRG538 Create mashups
- ICTPRG542 Review developed software
- ICTPRG533 Debug and monitor applications

Advanced Diploma of Information Technology

The ICT60220 Advanced Diploma of Information Technology (Telecommunications Network Engineering) provides high level information and communications technology (ICT), process improvement and business skills and knowledge to enable an individual to be effective in senior ICT roles within organisations. The qualification builds on a base core of management competencies, with specialist and general elective choices to suit particular ICT and business needs, especially in the areas of knowledge management and systems development.

Course Duration

104 weeks (12 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Career Outcomes

- Enterprise Architecture Manager
- Enterprise Application Integration Consultant
- Software Manager
- Optical Network Manager
- Senior Specialist Technician
- Telecommunications Technical Officer or Technologist
- IP Convergence Integrator
- Telecommunications Engineer
- Senior Technical Officer

Unit Cluster 1: IT Teamwork

- BSBORT611 Apply critical thinking for complex problem solving
- BSBTWK502 Manage team effectiveness

Unit Cluster 2: Telecommunications Projects and Cybersecurity

- BSBXCS402 Promote workplace cyber security awareness and best practices
- ICTICT608 Interact with clients on a business level

Unit Cluster 3: IT Business Analysis and Ethics

- ICTICT618 Manage IP, ethics and privacy in ICT environments
- ICTSAD609 Plan and monitor business analysis activities in an ICT environment

Unit Cluster 4: Green ICT Solutions and business innovation

- ICTSUS603 Integrate sustainability in ICT planning and design projects
- ICTICT614 Identify and implement business innovation

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application.
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.
- Please refer to the Enrolment Checklist under Student Information > Downloads > Pre-Enrolment Documents for additional requirements to that mentioned above.

Unit Cluster 5: Telecommunications Regulation and wireless Networking

- ICTNPL413 Evaluate networking regulations and legislation for the telecommunications
- ICTNWK561 Design an enterprise wireless local area network

Unit Cluster 6: ICT network architecture

- ICTTEN622 Produce ICT network architecture designs
- ICTNWK612 Plan and manage troubleshooting advanced integrated IP networks

Unit Cluster 7: Projects and Network Management

- ICTPMG613 Manage ICT project planning
- ICTTEN615 Manage network traffic

Unit Cluster 8: Engineering solutions

- ICTTEN826 Evaluate and apply digital signal processing to communication systems
- ICTTEN827 Produce engineering solutions

Course guide

Project & Program Management

Diploma of Leadership and Management

This qualification reflects the role of individuals who are currently managing the work of others; these individuals may also add value to a business through the review of management practices. Their role may be in any industry or organisational setting. Typically people in these roles will have considerable experience in their respective industries or vocational areas and combine an informed perspective of specific work requirements with their managerial approaches.

The qualification requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate own work or the work of a team.

Course outcomes relate to those wishing to pursue a career in management positions across a range of fields.

The BSB50420 Diploma of Leadership and Management is a Nationally Recognised course.

Course Duration

52 weeks (9 weeks break)

Intake Dates

Please contact college staff for intake dates.

Fees

Please contact college staff for fees.

Career Outcomes

- Management positions in a range of specialist fields

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1: Work Effectiveness

- BSBPEF502 Develop and use emotional intelligence
- BSBLDR523 Lead and manage effective workplace relationships
- BSBTWK502 Manage team effectiveness

Unit Cluster 2: Leadership and Management 1

- BSBOPS502 Manage business operational plans
- BSBOPS501 Manage business resources
- BSBOPS505 Manage organisational customer service
- BSBCMM511 Communicate with influence
- BSBCRT511 Develop critical thinking in others

Unit Cluster 3: Workplace Health and Safety

- BSBWHS521 Ensure a safe workplace for a work area

Unit Cluster 4: Diversity

- BSBTWK501 Manage diversity and inclusion

Unit Cluster 5: Sustainability

- BSBOPS504 Manage business risk
- BSBSUS511 Develop workplace policies and procedures for sustainability

Diploma of Project Management

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

The qualification requires a sound theoretical knowledge base and managerial competencies to plan, carry out and evaluate own work or the work of a team.

Course outcomes relate to those wishing to pursue a career in management positions across a range of fields.

The BSB50820 Diploma of Project Management is a Nationally Recognised course.

Course Duration

52 weeks (7 weeks break)

Intake Dates

Please contact college staff for intake dates.

Fees

Please contact college staff for fees.

Career Outcomes

- Project Manager, Project Leader or Team Leader

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1: Manage Projects 1

- BSBPMG530 Manage project scope
- BSBPMG531 Manage project time
- BSBPMG532 Manage project quality
- BSBPMG533 Manage project cost

Unit Cluster 2: Manage Projects 2

- BSBPMG538 Manage project stakeholder's engagement
- BSBPMG534 Manage project human resources
- BSBPMG535 Manage project information and communication
- BSBPMG536 Manage project risk

Unit Cluster 3: Manage Projects 3

- BSBPMG537 Manage project procurement
- BSBTWK502 Manage team effectiveness

Unit Cluster 4: Manage Projects 4

- BSBPMG539 Manage project governance
- BSBPMG540 Manage project integration

Advanced Diploma of Program Management

The BSB60720 Advanced Diploma of Program Management is designed for professionals who manage multiple interrelated projects (programs) to achieve organizational goals. It develops advanced skills in leadership, planning, and decision-making, as well as cognitive, communication, and creative abilities to solve complex problems and share knowledge. Ideal for those aiming for roles such as area manager, department manager, or regional manager. This is a nationally recognized qualification in Australia.

Course Duration

52 weeks (7 weeks break)

Fees

Please contact college staff for fees.

Career Outcomes

- Project Director
- Project Management Section Leader
- Project Manager

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.
- Have completed one of the following qualifications: BSB50820 Diploma of Project Management; or BSB51415 Diploma of Project Management (or a superseded equivalent version) or have completed two years equivalent full-time relevant workplace experience at a significant level within a project or program environment within an enterprise.

Unit Cluster 1: Manage programs 1

- BSBPMG630 Enable program execution
- BSBPMG634 Facilitate stakeholder engagement
- BSBPMG635 Implement program governance
- BSBPMG636 Manage benefits

Unit Cluster 2: Manage programs 2

- BSBFIN601 Manage organisational finances
- BSBLDR601 Lead and manage organisational change
- BSBPEF502 Develop and use emotional intelligence
- BSBINS601 Manage knowledge and information

Unit Cluster 3: Manage programs 3

- BSBPMG631 Manage program delivery
- BSBPMG632 Manage program risk

Unit Cluster 4: Manage Projects 4

- BSBPMG633 Provide leadership for the program
- ICTICT612 Develop contracts and manage contract performance

Course guide

Civil Construction Design

Diploma of Civil Construction Design

This qualification prepares individuals for a career in civil construction design, providing the skills to support engineers and work on infrastructure projects. Graduates will be able to independently plan and design civil works, apply technical and managerial skills, and take on roles such as civil construction designer or project supervisor. The course includes 20 units and emphasizes autonomy, responsibility, and practical expertise.

Course Duration

78 weeks (6 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Career Outcomes

- Civil/Structural Draftsperson
- Civil/Structural Designer Para-Professional
- Civil Construction Site Manager

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50).
- 18 years and above with a High School Certificate (Year 12).
- A verified copy of qualifications & transcripts is required to accompany your application.
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.
- Please refer to the Enrolment Checklist under Student Information > Downloads > Pre-Enrolment Documents for additional requirements to that mentioned above on the CTI website.

20 Elective units

- MEM23004A Apply technical mathematics
- MEM30012A Apply mathematical techniques in a manufacturing engineering or related environment
- MEM23007A Apply calculus to engineering tasks
- MEM30032A Produce basic engineering drawings
- MEM30031A Operate CAD system to produce basic drawing elements
- MEM30033A Use CAD to create and display 3-D models
- MEM30005A Calculate force systems within simple beam structures
- MEM23109 Apply engineering mechanics principles
- MEM30006A Calculate stresses in simple structures
- BSBPMG531 Manage project time
- BSBPMG532 Manage project quality
- MSL973022 Conduct laboratory-based acceptance tests for construction materials
- RIILAT402E Provide leadership in the supervision of diverse work teams
- RIICWD509E Prepare detailed design of urban roads
- RIICWD507D Prepare detailed geotechnical design
- RIICWD501E Prepare detailed design of foundations
- RIICWD533E Prepare detailed design of civil concrete structures
- RIICWD534E Prepare detailed design of civil steel structures
- RIICWD535E Prepare detailed design of civil timber structures
- CPPBDN6106 Produce building information modelling for building design projects

Advanced Diploma of Civil Construction Design

This qualification is ideal for individuals aiming to excel as senior civil works designers or para-professional designers, supporting professional engineers. You'll master a diverse range of broad, specialised, and technical tasks, including:

- Designing complex projects to meet client site requirements
- Leading strategic initiatives and activities
- Applying theoretical and technical knowledge to solve real-world problems

With this qualification, you'll be equipped to take on advanced challenges, ensuring the success of large-scale projects within the building and construction sector while demonstrating self-directed innovation and expertise.

Course Duration

104 weeks (22 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- Previous completion of a Diploma level (equivalent or higher) qualification OR ability to demonstrate relevant work experience within the sector is recommended
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.
- Please refer to the Enrolment Checklist under Student Information > Downloads > Pre-Enrolment Documents for additional requirements to that mentioned above on the CTI website

5 Core units

- BSBPMG632 Manage program risk
- BSBTWK502 Manage team effectiveness
- BSBWHS616 Apply safe design principles to control WHS risks
- RIICWD601E Manage civil works design processes
- RIQUA601E Establish and maintain a quality system

7 Elective units

- BSBPMG531 Manage project time
- BSBPMG532 Manage project quality
- RIILAT402E Provide leadership in the supervision of diverse work teams
- BSBESB406 Establish operational strategies and procedures for new business ventures
- RIICWD533E Prepare detailed design of civil concrete structures
- RIICWD507D Prepare detailed geotechnical design
- RIICWD535E Prepare detailed design of civil timber structures

Course guide

Kitchen Management & Hospitality Management

Certificate IV in Kitchen Management

The SIT40521 Certificate IV in Kitchen Management prepares chefs and cooks for supervisory or team leadership roles in kitchens. They work independently, solve non-routine problems, and may pursue careers in restaurants, hotels, cafés, and similar businesses—or even run their own. Job titles include chef and chef de partie. The 78-week course (25 hours per week) can lead to further study in Hospitality, Business, or Leadership and Management at CTI.

Course Duration

78 weeks (10 weeks break)

Fees

Please contact college staff for fees.

Intake Dates

Please contact college staff for intake dates.

Career Outcomes

- Chef
- Chef de Partie

Entry Requirements

- English level evidence (Upper Intermediate level / IELTS 5.5 / PTE equivalent)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1

- SITXFSA005 Use hygienic practices for food safety
- SITXFSA006 Participate in safe food handling practices
- SITXINV001 Receive, store and maintain stock
- SITXWHS007 Implement and Manage health and safety practices
- SITXWHS006 Identify hazards, assess and control safety risks
- SITXHRM002 Roster Staff
- SITXHRM009 Lead and manage people
- SITXMGTO04 Monitor work operations

Unit Cluster 2

- SITHCCC023 Use food preparation equipment
- SITHCCC027 Prepare dishes using basic methods of cookery
- SITHCCC028 Prepare Appetisers and salads
- SITHCCC029 Prepare stocks, sauces and soups

Unit Cluster 3

- SITHFAB021 Provide responsible service of alcohol
- SITXCOM010 Manage Conflict
- SITXFSA008 Develop and implement a food safety program
- SITXFIN009 Manage finances within a budget
- SITHCCC043 Work effectively as a cook
- SITHKOP013 Plan cooking operations

Unit Cluster 4

- SITHCCC030 Prepare vegetable, fruit, egg and farinaceous
- SITHCCC031 Prepare vegetarian and vegan dishes

Unit Cluster 5

- SITHCCC040 Prepare and serve cheese
- SITHCCC039 Produce pates and terrines
- SITHCCC042 Prepare food to meet special dietary requirements

Unit Cluster 6

- SITHCCC044 Prepare specialised food items
- SITHCCC035 Prepare poultry dishes
- SITHCCC036 Prepare meat dishes
- SITHCCC037 Prepare seafood dishes

Unit Cluster 7

- SITHCCC041 Produce cakes, pastries and breads
- SITHPAT016 Produce desserts
- SITHKOP010 Plan and cost recipes

Unit Cluster 8

- SITHKOP012 Develop recipes for special dietary requirements
- SITHKOP015 Design and cost menus
- SITXINV007 Purchase goods

Kitchen & Management Skills

- 3 Milestone Functions (Breakfast Buffet, 3 Course Plate Up & 5 Course Plate Up)

Diploma of Hospitality Management

This qualification prepares experienced hospitality professionals to manage operations using a mix of industry knowledge and leadership skills. Graduates work independently, lead teams, and make key business decisions. It opens career paths in restaurants, hotels, cafés, and more, with opportunities for multiskilling in areas like food and beverage, accommodation, cookery, and gaming.

Course Duration

52 weeks (6 weeks break)

Fees

Please contact college staff for fees.

Entry Requirements

- English level evidence (Advanced level/IELTS 6.0/PTE overall 50)
- 18 years and above with a High School Certificate (Year 12)
- A verified copy of qualifications & transcripts is required to accompany your application
- Qualification & transcripts need to be verified by CTI's approved student recruitment agent to confirm their genuine status.

Unit Cluster 1: Work Safety

- SITXFSA005 Use hygienic practices for food safety
- SITHFAB021 Provide responsible service of alcohol
- SITXWHS007 Implement and monitor work health and safety practices

Unit Cluster 2: Administration 4

- SITXFIN009 Manage finances within a budget
- SITXFIN010 Prepare and monitor budgets
- SITXGLC002 Identify and manage legal risks and comply with law
- SITHIND006 Source and use information on the hospitality industry
- SITXHRM010 Recruit, select and induct staff
- SITXCOM006 Source and present information

Unit Cluster 3: Client and Customer Services Skills 4

- SITXCCS015 Enhance customer service experiences
- SITXCCS016 Develop and manage quality customer service practices
- SITXMGT005 Establish and conduct business relationships

Advanced Diploma of Hospitality Management

This qualification is for experienced senior managers in the hospitality industry who combine advanced operational and strategic management skills with in-depth industry knowledge. It prepares individuals to work autonomously and make high-level business decisions. Career pathways include roles across various hospitality sectors such as hotels, restaurants, cafés, and catering, with opportunities to develop specialised skills in areas like accommodation, food and beverage, cookery, and gaming.

Course Duration

104 weeks

Fees

Please contact college staff for fees.
